

ABOUT US

Total Packing Solutions is a consolidation of the Chennai Poly Pack group of companies, engaged in industrial packaging with more than 28 years of experience, catering to high-profile corporate clients and industries, and a group turnover of Rs. 200 crores.

The group has its own manufacturing strength spread over 12 units across Chennai, Pondicherry, and Anantapur, offering customized packaging solutions based on customer requirements.

The Product ranges from Air Bubble Films, EPE Foam Fitments, XLPE Fitments, LDPE Covers, Corrugated Boxes, Sleeves Partitions, Returnable Bins, Angle Board, Stretch Film, Strapping, BOPP Tape and Dunnage Bag etc. We also provide cost effective Tools for Packaging Products. We are also catering to Anti Corrosive (VCI) and Antistatic (ESD) Product requirements of customers.

TOTAL PACKAGING SOLUTIONS provider of all your packaging applications under one roof.
